

Happy Days Preschool

Themes & Concepts for Jan

The theme for the month of January is "Signs of Winter & Chinese New Year. We will have fun observing, discussing, reading, singing and doing crafts about the signs of winter and what people and animals do to adjust to the changes of the season. We will also be doing science experiments with water, snow and ice.

Chinese New Year gives us an opportunity to learn a few Chinese words, have a dragon parade and do related crafts.

We will meet at the Pre-School for a few minutes first. Please bring your child with a helmet that fits properly, gloves, snow pants, and skates that fit properly or boots. **If your child doesn't come with these articles your child will have to go back home with you.** We would love lots of help to make this a fun experience for the children. We prefer your child to have skates

We would like to thank you for the Salvation Army Child and Family Services donations, Christmas gifts and cards. I would also like to give special thanks to the Santa's and the parents that have helped in the classroom. Happy New Year!

This year I donated to the Mustard Seed instead of giving gifts to the Santa's and Staff.
